

## Audience Expenditure Survey

# Batch Cover Sheet

The Audience Expenditure Survey Batch Cover Sheet should be completed and included as a cover sheet for each “batch” of audience expenditure surveys collected. As an example, if 50 audience surveys are collected at a theater performance, this Batch Cover Sheet should be completed about the performance and bundled on top of those 50 surveys.

## Audience Expenditure Survey

# Batch Cover Sheet

Thank you for participating in the *Arts & Economic Prosperity IV* national economic impact study. These surveys should be forwarded to Americans for the Arts for tabulation.
